

OEM Program

Redefine Sound | Elevate Your Brand | Step into the World of 3D Audio with HOLOPHONIX

HOLOPHONIX Ultra is the latest immersive sound processor from HOLOPHONIX. Designed for manufacturers with **limited customization options and no minimum order quantity**, it offers quick and easy access to the immersive audio universe.

HOLOPHONIX Ultimate is a **fully customizable processor designed exclusively for manufacturers**. Tailored software development is available, with pricing either provided on request or included based on annual order quantities.
